Mr. Robert M. Macy
Chief, International Division
Bureau of the Budget
Washington 25, D. C.

Dear Mr. Macy:

Attached is copy No. 8 of the classified budget for operations of the Central Intelligence Agency for Fiscal Year 1962 and the unclassified budget covering the appropriation of the new headquarters building at Langley. We have previously furnished a copy of the Agency's Organizational Charts and Functional Statements which provide the background information on the organizational units provided for in the budget.

As required by section 1311 (b) of the Supplemental Appropriation Act, 1955, as amended (51 U. S. C. 200 (b)), I am reporting that all statements of obligations furnished to the Bureau of the Budget in connection with the Central Intelligence Agency requests for proposed appropriations for the Fiscal Year 1962 consist of valid obligations as defined in section 1311 (a) of that Act.

The Program and Financing Schedule has been prepared in the same manner as in prior fiscal years due to technical difficulties encountered in endeavoring to change the schedule so that it would be compatible with the Bureau's letter to the House Appropriations Committee. We plan to work with your representatives in finding a solution so that this schedule and the letter will be consistent.

After you have had an opportunity to review the Agency's budget submission, it would be appreciated, as in prior years, if you would furnish a list of the questions in order that the hearings may proceed in an orderly fashion. Hearings will be arranged to suit your convenience.

Very truly yours,

E. R. Saunders
Comptroller
